

FORM ID: FORM-004 | Dependants Declaration Form

Effective Date: 2026-01-01 | Access: INTERNAL | SCANNED IMAGE RECORD

Dependants Declaration Form (FORM-004 v1.0) issued by AEON Credit Service (M) Berhad effective 2026-01-01, establishing customer disclosure of qualifying dependants to determine whether the Net Disposable Income (NDI) threshold is set at RM 1,500 or RM 2,000 under Credit Policy v2.

[1.0] Purpose and Regulatory Basis

This Dependants Declaration Form (FORM-004) enables AEON Credit Service (M) Berhad to establish the exact number of verified dependants supported by the applicant, pursuant to the Net Disposable Income (NDI) requirements prescribed under Credit Policy v2 effective 2026-01-01 and circular CIR-2025-016. The applicant must complete this declaration

[2.0] Definition of Qualifying Dependants

For credit assessment purposes under Credit Policy v2, a qualifying dependant is defined as an individual who relies wholly or substantially on the applicant for financial maintenance. This includes: (a) a legal spouse not in receipt of independent regular income, (b) biological, legally adopted, or step-children under the age of 18, or under 24 if

[3.0] Net Disposable Income (NDI) Policy Thresholds

In alignment with Credit Policy v2 clause 3.2, all individual credit facilities are subject to an NDI floor calculation evaluated post-facility drawdown. Applicants declaring fewer than 3 dependants are subject to the standard NDI floor of RM 1,500. Where the applicant supports 3 or more qualifying dependants, the mandatory NDI floor escalates to RM 2,000.

[4.0] Documentary Evidence and Verification Requirements

Applicants declaring dependants must furnish supporting documentation upon request by Credit Underwriting. Acceptable verification documents include certified copies of marriage certificates (for non-working spouses), birth certificates or formal adoption orders (for children), proof of full-time higher education enrollment (for student dependants aged 18

[5.0] Impact on Automated Underwriting and Exception Routing

Data captured via FORM-004 directly maps into the credit underwriting engine. If the declared dependants result in an NDI computation below RM 2,000 for applicants with 3 or more dependants (or below RM 1,500 for applicants with under 3 dependants), the application is disqualified from automated straight-through approval. Any overriding mitigation must

[6.0] Applicant Declaration and Authorisation Block

I hereby declare that the particulars submitted in this Dependants Declaration Form are complete, true, and accurate. I acknowledge that AEON Credit Service (M) Berhad relies on this declaration to assess my creditworthiness and repayment capacity under internal credit guidelines and regulatory affordability rules. I understand that any deliberate

[7.0] Verification and Branch Execution Confirmation

This section is to be completed by the attending AEON Credit Sales Officer or Branch Executive. The officer must verify the applicant's MyKad against original documents, validate the total number of declared dependants against provided certificates, calculate the prospective NDI threshold bracket (RM 1,500 vs RM 2,000), and sign off before submitting the
