

FORM ID: FORM-005 | Branch Exception Approval Slip (filled sample)

Effective Date: 2026-01-01 | Access: INTERNAL | SCANNED IMAGE RECORD

Completed branch exception approval slip FORM-005 documenting Senior Credit Manager approval for an unsecured financing application exceeding standard Debt Service Ratio (DSR) limits by 3.0 percentage points pursuant to Credit Policy v2 Clause 2.5, supported by 24 months of verified clean conduct and compliant Net Disposable Income.

[1.0] Branch & Application Particulars

This Branch Exception Approval Slip (FORM-005) is executed at AEON Credit Service (M) Berhad, Mid Valley Branch, on 2026-01-15. The subject applicant, Encik Muhammad Harith bin Yusof (NRIC: 880412-14-5531), has submitted an application for Personal Financing-i (Tawarruq) for a facility financing amount of RM 25,000 with an approved tenure of 48 months at

[2.0] Credit Evaluation and DSR Policy Variance

Under Credit Policy v2 Clause 2.1 and Clause 2.2, applicants possessing a verified gross monthly income of RM 4,200.00 are subject to a binding Debt Service Ratio (DSR) ceiling of 70.00% post-facility drawdown. The applicant's existing monthly commitments total RM 2,360.50. Incorporation of the proposed Personal Financing-i instalment results in total

[3.0] Exception Justification under Clause 2.5

Exception is sought and evaluated pursuant to Credit Policy v2 Clause 2.5, which empowers a designated Senior Credit Manager to approve marginal DSR overruns not exceeding 5.00 percentage points for prime applicants. The applicant has maintained an uninterrupted 24 months of clean conduct across all existing banking facilities, presenting zero days past

[4.0] Net Disposable Income (NDI) Verification

In compliance with Credit Policy v2 Clause 3.1 and Clause 3.2, the post-financing Net Disposable Income (NDI) has been verified. The applicant resides in an urban centre supporting one dependant (below the 3-dependants threshold). With statutory deductions (EPF, SOCSO, PCB) of RM 462.00, net take-home pay is RM 3,738.00. Deducting total post-facility

[5.0] Facility Limit and Regulatory Integrity Controls

In alignment with underwriting rules under Clause 4.1 and Clause 5.2, the approved aggregate unsecured exposure of RM 25,000 remains well below the initial limit cap of $\leq 2 \times$ gross monthly income (RM 8,400 per card or RM 50,000 aggregate financing parameter under corporate product guidelines). Additionally, in strict adherence to model governance

[6.0] Underwriting Recommendation and SCM Approval

The Branch Underwriting Specialist recommends approval based on stable executive employment of 6 years in a multinational logistics firm, unblemished 24-month repayment record, and lack of adverse legal, bankruptcy, or AKPK DMP listings. Final approval is formally conferred by Senior Credit Manager Puan Siti Rahmah binti Abdullah (Staff ID:
