

Product Disclosure Sheet: Auto Hire Purchase-i

Doc ID: PDS-AHP-I	Version: 1.0	Effective: 2026-01-01	Access: PUBLIC
-------------------	--------------	-----------------------	----------------

Product Disclosure Sheet (PDS) for Auto Hire Purchase-i offered by AEON Credit Service (M) Berhad, detailing Shariah structure, financing terms, eligibility, repayment obligations, and recourse mechanisms in compliance with BNM guidelines.

1 — What is this product about?

Auto Hire Purchase-i is an Islamic vehicle financing facility provided by AEON Credit Service (M) Berhad ("the Company") to facilitate the acquisition of passenger cars and light commercial vehicles. Under this facility, financing is offered up to a maximum margin of 90% of the vehicle invoice price or agreed value, with financing tenures available up to 108 months.

2 — What is the Shariah concept applicable?

This product is governed by the Shariah principle of Al-Ijarah Thumma Al-Bai' (AITAB) / Murabahah to the Purchase Orderer. Under AITAB, the customer initially leases the vehicle from the Company for an agreed rental fee across a specified tenure (Ijarah stage). Upon full settlement of all rental payments and performance of contractual obligations, ownership of the vehicle is transferred to the customer via a sale contract (Bai') or gift (Hibah).

3 — What are the key eligibility criteria?

Applicants must meet the Company's Credit Policy v2 parameters effective 2026-01-01. Gross monthly income dictates debt servicing thresholds: projected DSR must not exceed 60% if gross monthly income is below RM 3,000, or 70% if gross monthly income is RM 3,000 and above. Net Disposable Income (NDI) must be at least RM 1,500 after the facility is drawn in full, rising to RM 2,000 where the applicant supports 3 or more dependants. Credit standing requires a CTOS score of 700 or above for prime tier terms, or 650 to 699 for standard pricing. Applicants with a CTOS score below 650 require Senior Underwriter review. Applicants with CTOS legal action, bankruptcy, AKPK flag, or any facility currently 2 or more months in arrears will be declined.

4 — What are my financial obligations?

You are required to make regular monthly instalments over the approved tenure until total financing is settled. Profit is charged on a fixed or variable flat rate basis agreed at execution. An illustrative breakdown of monthly instalments across representative facility amounts and tenures is detailed in the Repayment Illustration table below. Margin of financing is capped at up to 90%, requiring a minimum down payment of 10%.

5 — What are the fees and charges I have to pay?

Key charges include: Stamp Duty as per the Stamp Act 1949 (RM 10 per document set); Wakalah (Agency) fee if applicable; processing fee where stipulated by contract; and mandatory Road Transport Department (JPJ) ownership endorsement fees. You must also maintain comprehensive Takaful coverage on the financed vehicle for the entire financing tenure.

6 — What happens if I fail to fulfil my obligations?

Late payment compensation (Ta'awwudh and Gharamah) will be charged at a rate approved by the Shariah Committee, not exceeding 1.0% per annum on the overdue amount. In the event of persistent default exceeding two consecutive instalments, the Company reserves the right to issue a Fourth Schedule notice under the Hire Purchase Act 1967 and repossess the vehicle. Repossession costs, storage fees, and disposal shortfalls shall be borne by the hirer.

7 — What if I fully settle the financing before maturity?

The Company shall grant Ibra' (rebate) on the unearned profit calculated in accordance with Bank Negara Malaysia guidelines and Shariah rules. Early settlement requires written notice and clearance of all outstanding principal plus accrued profit up to the settlement date minus the computed Ibra'.

8 — Where can I get assistance and redress?

If you have complaints or inquiries, contact AEON Credit Service Customer Care. We commit to acknowledge complaints within 2 business days and resolve them within 14 days. If our final resolution is unsatisfactory, you may escalate your unresolved case to the Ombudsman for Financial Services (OFS) or BNM LINK.

Schedule / Reference Table

Financing Amount (RM)	Tenure (Months)	Illustrative Flat Profit Rate (p.a.)	Monthly Instalment (RM)	Total Profit Payable (RM)	Total Amount Payable (RM)
50,000	60	3.20%	966.67	8,000.00	58,000.00
50,000	84	3.35%	734.76	11,720.00	61,720.00
50,000	108	3.50%	608.80	15,750.00	65,750.00
80,000	60	3.10%	1,540.00	12,400.00	92,400.00
80,000	84	3.25%	1,169.05	18,200.00	98,200.00
80,000	108	3.40%	967.41	24,480.00	104,480.00
120,000	60	3.00%	2,300.00	18,000.00	138,000.00
120,000	84	3.15%	1,743.57	26,460.00	146,460.00
120,000	108	3.30%	1,441.11	35,640.00	155,640.00
