

Product Disclosure Sheet: AEON Classic Visa

Doc ID: PDS-CARD-CLASSIC	Version: 1.0	Effective: 2026-01-01	Access: PUBLIC
--------------------------	--------------	-----------------------	----------------

This Product Disclosure Sheet (PDS-CARD-CLASSIC) sets out the key terms, features, obligations, fees, finance charges, and dispute channels for the AEON Classic Visa credit card issued by AEON Credit Service (M) Berhad, effective 1 January 2026.

1.0 — What is this product about?

The AEON Classic Visa is an unsecured revolving credit card facility extended by AEON Credit Service (M) Berhad (the Company). It provides principal cardholders with a convenient payment mechanism for retail transactions, digital commerce, contactless transactions, and cash advance withdrawals at approved automated teller machines (ATMs) globally, subject to an assigned revolving credit limit.

2.0 — What are the key features and eligibility requirements?

Applicants must be at least 21 years of age for the principal card (18 years of age for supplementary cards). In accordance with the Company's Credit Policy, the assigned initial credit limit is capped at a maximum of 2 times gross monthly income for cardholders earning less than RM 3,000 up to RM 4,999, and up to 3 times gross monthly income for cardholders earning RM 5,000 and above. Approval is subject to Debt Service Ratio (DSR) ceilings (60% for monthly income under RM 3,000; 70% for RM 3,000 and above), Net Disposable Income (NDI) floors, and credit assessment.

3.0 — What are my monthly repayment obligations?

The cardholder must make minimum monthly payments on or before the designated payment due date. The minimum monthly payment is set at 5% of the total outstanding statement balance or RM 50, whichever is higher, plus 100% of any past due amount and any amount in excess of the approved credit limit. Cardholders may opt to pay the full statement balance to enjoy an interest-free grace period of 20 calendar days on retail transactions.

4.0 — What are the applicable finance charges and tiers?

Finance charges on retail purchases are tiered based on repayment track record: Tier 1 is 15% per annum for prompt payers with 12 consecutive months of punctual payment; Tier 2 is 17% per annum for cardholders with prompt payments for 10 or 11 months in the preceding 12 months; Tier 3 is 18% per annum for cardholders with 2 or more late payments in the preceding 12 months. Cash advances incur a finance charge of 18% per annum calculated on a daily basis from the withdrawal date until full settlement.

5.0 — What are the fees and charges I have to pay?

The annual fee for the AEON Classic Visa is RM 0 (free for life) for both principal and supplementary cards. Cash advance transactions are subject to a fee of 5% of the advance amount or RM 18, whichever is higher. As specifically prescribed, the late payment charge is 1% of the total outstanding balance, subject to a minimum of RM 10 and a maximum of RM 150 per statement cycle. Card replacement incurs RM 12 per card.

6.0 — What if I fail to fulfill my obligations?

Failure to pay at least the minimum monthly payment by the payment due date will trigger a late payment charge of 1% of the total outstanding balance (minimum RM 10, maximum RM 150). Your finance charge will escalate to 18% per annum (Tier 3). Continued delinquency will result in temporary suspension or cancellation of credit privileges, adverse records in Bank Negara Malaysia Central Credit Reference Information System (CCRIS) and private credit reporting agencies (CTOS), and potential legal recovery proceedings.

7.0 — What are the major risks associated with this card?

The primary risk is compounding finance charges if only minimum monthly payments are made, significantly increasing the total repayment amount and the duration needed to discharge the balance. Cardholders also bear

risk for unauthorized transactions if card security, Personal Identification Numbers (PINs), or one-time passwords (OTPs) are compromised. Losses arising from gross negligence or delayed notification of a lost or stolen card remain the cardholder's liability.

8.0 — Where can I get assistance and redress?

If you experience financial distress, you may contact Agensi Kaunseling dan Pengurusan Kredit (AKPK) for financial counseling. For inquiries, feedback, or complaints, please reach AEON Customer Care. The Company will formally acknowledge complaints within 2 business days and resolve issues within 14 days. If the outcome remains unsatisfactory, the cardholder may escalate the dispute to the Ombudsman for Financial Services (OFS) or Bank Negara Malaysia (BNM LINK).
