

Product Disclosure Sheet: Product Financing

Doc ID: PDS-PRODFIN	Version: 1.0	Effective: 2026-01-01	Access: PUBLIC
---------------------	--------------	-----------------------	----------------

This Product Disclosure Sheet (PDS-PRODFIN) sets out the key features, terms, financing obligations, fees, and redress mechanisms for Product (Objective) Financing provided by AEON Credit Service (M) Berhad, effective 1 January 2026. Applicants must read and understand this document prior to entering into any financing agreement.

1 — What is this product about?

Product (Objective) Financing is a fixed-rate instalment facility extended by AEON Credit Service (M) Berhad ("the Company") to finance retail purchases of consumer durables, electronic appliances, furniture, and designated retail merchandise from participating merchants. The financing is structured with fixed monthly instalments over a selected tenure to suit customer affordability.

2 — What are the key terms and eligibility criteria?

The facility is open to Malaysian citizens and permanent residents aged 18 to 65 years. The initial credit limit is determined in strict compliance with the Company's credit policy: maximum 2x gross monthly income where income is below RM 3,000 or below RM 5,000, and up to 3x gross monthly income where income is RM 5,000 and above. Approval is subject to Debt Service Ratio (DSR) ceilings of 60% for gross monthly income below RM 3,000 and 70% for gross monthly income of RM 3,000 and above. Post-facility Net Disposable Income (NDI) must satisfy the regulatory floor of RM 1,500, or RM 2,000 if supporting 3 or more dependants. Automated approval requires a CTOS score of 700 or above (prime tier) or 650 to 699 (standard pricing); scores below 650 require Senior Underwriter review. Applicants with active legal action, bankruptcy, AKPK debt management enrolment, or any facility in arrears of 2 or more months are strictly ineligible.

3 — What are my financial obligations and monthly repayments?

Customers are required to repay monthly instalments on or before the due date until full settlement. The monthly instalment is calculated based on an illustrative flat interest/profit rate of 10.00% per annum across selected tenures (12, 24, or 36 months) and amounts (RM 3,000, RM 6,000, and RM 10,000). Total repayment equals the principal amount plus total interest charges.

4 — What are the fees and charges involved?

Applicable fees include: (a) Processing Fee: RM 50.00 to RM 100.00 deducted from disbursement or billed on the first invoice depending on product tier; (b) Stamp Duty: As per the Stamp Act 1949 (RM 5.00 per RM 1,000 of financing amount); (c) Late Payment Charge: 1.00% per annum on overdue instalment amounts calculated from the overdue date until full settlement.

5 — What happens if I fail to fulfil my obligations?

Failure to pay on schedule will result in late payment charges, negative reporting to credit reporting agencies including Central Credit Reference Information System (CCRIS) and CTOS Data Systems, and suspension of further credit lines. Incurring 2 or more months of arrears will trigger recovery enforcement and disqualify the customer from obtaining any unsecured credit facility across the Company.

6 — What if I fully settle the financing before maturity?

Early settlement is permitted at any time during the financing tenure upon written notice to the Company. Customers are entitled to an early settlement rebate on the unearned interest/profit charges calculated according to the Rule of 78 formula or standard statutory rebate guidelines, less an administrative processing fee not exceeding RM 50.00.

7 — What do I need to do if there are changes to my contact details?

It is essential that you inform the Company immediately of any changes in your residential address, telephone number, employment, or email address to ensure all notices, statements, and communications reach you promptly.

8 — Where can I get assistance and redress?

If you have complaints or service queries, contact the AEON Credit Customer Care Centre. The Company will formally acknowledge complaints within 2 business days and resolve issues within 14 calendar days. If the dispute is not resolved to your satisfaction, you may escalate the matter to the Ombudsman for Financial Services (OFS) or Bank Negara Malaysia via BNM TELELINK.

Schedule / Reference Table

Financing Amount (RM)	Tenure (Months)	Flat Rate (% p.a.)	Total Interest (RM)	Total Repayment (RM)	Monthly Instalment (RM)
RM 3,000	12	10.00%	RM 300.00	RM 3,300.00	RM 275.00
RM 3,000	24	10.00%	RM 600.00	RM 3,600.00	RM 150.00
RM 3,000	36	10.00%	RM 900.00	RM 3,900.00	RM 108.33
RM 6,000	12	10.00%	RM 600.00	RM 6,600.00	RM 550.00
RM 6,000	24	10.00%	RM 1,200.00	RM 7,200.00	RM 300.00
RM 6,000	36	10.00%	RM 1,800.00	RM 7,800.00	RM 216.67
RM 10,000	12	10.00%	RM 1,000.00	RM 11,000.00	RM 916.67
RM 10,000	24	10.00%	RM 2,000.00	RM 12,000.00	RM 500.00
RM 10,000	36	10.00%	RM 3,000.00	RM 13,000.00	RM 361.11
